2. The Works will be submitted to the Publisher in English.
3. **The papers shall be full proceedings papers and described on 4-6 pages.**  
If the Work contains a thesis or poster of one or two pages, the Publisher reserves the right to reject the publication.
4. **The Author Ethics and the Peer Review Policy.** The Publisher reserves the right to exclude any papers from the Work if in its opinion, or those of its advisers, any papers are considered inappropriate for publication by the Publisher. Such reasons shall include, but not be limited to, papers which infringe third party rights, contain libellous or unlawful statements or have not been peer reviewed in accordance with the Peer Review Policy referred to in Appendix A. The Publisher takes allegations of research and publication misconduct very seriously and will investigate any such allegations in accordance with its procedures. The Publisher reserves the right to request any and all correspondence relating to the submission and peer review of papers submitted for publication and the Organiser shall supply these to the Publisher immediately on request. In situations where the Publisher considers that misconduct has occurred, the Publisher reserves the right to amend or retract the Work as it sees fit. The Publisher also reserves the right to inform the relevant institutions about any authors and/or conference organisers who it deems to have committed misconduct. The Organiser shall indemnify, defend and hold Publisher harmless against any loss, damage, cost, liability or expense (including reasonable attorneys' fees) which arises from any action or claim of a third party that the Work contains libellous or unlawful statements or that publication of the Work infringes the copyright or other intellectual property right of such third party.
5. **Correction** After submission of the accepted papers it will not normally be possible to include amended or corrected papers in the Journal.
6. **Post-publication changes**  
Post-publication changes to the Work will be made at the sole discretion of the Publisher. If the Organiser becomes aware of any request or need to make post-publication changes, the Organiser agrees to inform the Publisher without delay. If agreed by the Publisher, any such changes or amendments will be conducted with appropriate reference to the conventions, guidelines and practices of scientific publishing in recognition that the Work has become part of the record of science. By way of example, the Organiser is advised that it is not normally possible to simply replace a paper after it has been published in the Work, nor is it normally possible to remove papers, except under exceptional circumstances, once they have been published. In the event that any papers published in the Work should require replacement and/or amendments after their submission, the Publisher reserves the right to charge a fee equivalent to **USD 70** per paper as an administration fee.
